When requesting a quotation for component parts, please first provide a sample list of say 20 representative parts in the first instance, which will enable us to provide you with a speedy response and quotation.

Please forward electronic copies of drawings and specification to [jessica651@163.com](mailto:jessica651@163.com) or [admin@sanec.com.au](mailto:admin@sanec.com.au) or on CD to the above address, in both CAD and PDF format.

We acknowledge that any information (including commercially sensitive information and any material of technical content) provided by either party will be held in the strictest confidence, and will not be used in any way to the detriment of either party.

The information provided will be used by SANEC to obtain a quotation only, and will only seek quotations from companies where a confidentiality agreement is current with the potential manufacturer, if the material is noted below as being commercially sensitive.
